

Bank Accounts - Account Type

Escrito por jotat - 26/06/2018 10:58

Hello,

When adding new Bank Accounts there is an Account Type Drop Down list that contains four items: Savings Account, Chequing Account, Credit Account and Cash Account. I need to add some more items to this list eg EFTPOS. Where and how do I do this?

Any help will be appreciated.

I didn't find the right solution from the Internet.
